

Our Vision

"Belong, Thrive, Be Proud"

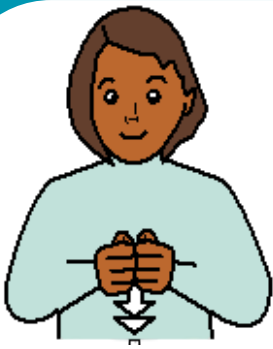

At Blanche Nevile, we are an ambitious, warm and inclusive community where every child belongs and is empowered to achieve their potential.

We celebrate deafness, diversity, culture and identity, supporting each learner to grow socially, emotionally, physically and academically.

We value both English and British Sign Language equally in their own right, recognising the richness that bilingual communication brings. Our school motto, 'the best of both worlds', is embedded throughout our daily experiences.

We have high expectations for all and are committed to removing barriers so every child can thrive. Through excellent teaching, strong partnerships and a focus on wellbeing, we ensure all children are confident, proud and fully prepared for their future.

We are a **PROUD** school, and our vision underpins our values.
